Furlough and Leave—Royal Engineers.

Read the following papers:—

No. 181. From Colonel A. JOHNSON, Officiating Secretary to the Government of India, Military Department, to the Adjutant-General in India, dated Fort William, 3rd October 1876, No. 21. (*Furlough and Leave—Royal Engineers.*)

With reference to your letter, No. 2795-A, and previous correspondence, regarding the question of the retention by Lieutenant W. G. Bowyer, R.E., Imperial Establishment, of his appointment in the Public Works Department, I am desired to state, for the information of His Excellency the Commander-in-Chief, that, in the opinion of the Government of India, the retention of the appointment by an officer situated as Lieutenant Bowyer is, is provided for by the furlough regulations as they stand.

2. By Note 2 of Rule IX of the Furlough Regulations of 1865, published in G.G.O., No. 171 of 1874, an officer who has not served three years in India, and proceeding on furlough on medical certificate, will receive "English furlough pay" only, and will vacate his appointment unless entitled to retain it under Rule II.

3. Rule II lays down that officers of the Staff Corps and local Indian service can retain their appointments during all leave of absence granted by competent authority. Subsequently, the Secretary of State for India, in his despatch published under G.G.O., No. 1174 of 1875, decided that the rule under which officers of the Staff Corps and local service retain their appointment during all authorised leave, shall be made applicable to all military and medical officers taking leave under the Rules of 1868.

4. The provisions of Note 1 of Rule IX, which you state will, under the above ruling, require modification, are not really affected by it, as they refer to leave on "furlough pay" with retention of appointment. Note 2 relates to leave on "English furlough pay" with retention or vacation of appointment. Lieutenant Bowyer retains his appointment, but as he has not performed three years' service, he does so on "English furlough pay" only.

5. I am to request therefore that His Excellency may be moved to cause steps to be taken to have Lieutenant Bowyer's furlough notified, as in the case of an officer holding a staff appointment under Government.

*Proceedings of the Madras Government, Military Department,
11th October 1876.*

Memorandum from Lieutenant-Colonel E. BROOKE, Deputy Adjutant-General, to Colonel A. JOHNSON, Officiating Secretary to the Government of India, Military Department; dated Head Quarters, Simla, 28th June 1876, No. 2136-A. (Leave.)

Forwarded for information.

The necessary leave has been granted to Lieutenant Bowyer by the Commander-in-Chief.

W. THOMSON, Adjutant-General, Bombay Army, to the Adjutant-General, Madras, 20th June 1876, No. 884.

I have the honor, by direction of His Excellency Lieutenant-General Sir Charles Staveley, to transmit the accompanying proceedings of the Standing Medical Commission, and to report, for the information of His Excellency the Commander-in-Chief in India, that on its recommendation, leave of absence has been granted to the officer named in the margin to proceed to England for the purpose of appearing before a Medical Board, subject to His Excellency's confirmation.

2. Lieutenant Bowyer was examined by the Indian Medical Board, Bombay; but as he has not been three years in India, he vacates his staff appointment and comes under the British leave rules.

No. 88.

We do hereby certify on honor, according to the best of our professional judgment after careful examination, that we consider the case of Lieutenant W. G. Bowyer, Royal Engineers, to be of such a nature as to render leave of absence to proceed to Europe for a period of two years highly desirable on account of his health, and that it is essential he should, for medical reasons, proceed by the overland route.

This effect gives the Rules of 1868.

Military Department, Fort William, dated 11th July 1876, No. 327.

(Furlough and Leave—Staff Officers.)

Under the sanction of the Government, with a view to the fact that the Right Honorable the Commander-in-Chief may be moved to favor Government with an opinion as to whether Lieutenant Bowyer, R.E. (Imperial Establishment) is not entitled to retain his staff appointment under Government General Order No. 1174 of 1875.

Return requested.

From Major-General P. S. LEMSDEN, C.B., C.S.I., Adjutant-General in India, to Colonel A. JOHNSON, Officiating Secretary to the Government of India, Military Department; dated Head Quarters, Simla, 28th July 1876, No. 2795-A. (Leave.)

In reaching your despatch, No. 327 (Furlough and Leave—Officers) of the 11th instant, regarding the leave of Lieutenant Bowyer, Royal Engineers, I am instructed to state, for the

information of Government, that if the concluding part of the Secretary of State's letter, published by G.O. No. 1174, dated 24th November 1875, applies to the case of a Royal Engineer officer of the Imperial List who has not yet earned furlough by a residence of three years in India, then Note 1 of Rule IX of the Furlough Regulations of 1868, as they at present stand in G.O. No. 72 of 1874, needs correction, as that note requires a Royal Engineer officer employed under Government to serve three years in the country before he can obtain furlough to Europe on medical certificate.

2. But as the ruling of the Secretary of State, Royal (Bengal) Engineers, who had already earned furlough under the Rules of 1868, in fact enjoying it, the Commander-in-Chief considers that it is doubtful whether it was intended to relax the three years' rule in regard to the first furlough of young officers of the Imperial List.

No. 182. ORDER THEREON, 11th October 1876, No. 5200.
