Revenue Department

Miscellaneous No. 8874

Proceedings of the Board of Revenue.

Dated 16th October 1896.

Read Official Memorandum from the
Secretary Government R.D. dated 9th Oct 96,
No. 164, requesting orders, in future weekly
statements of prices of food grains in Cuddapah,
Bellary & Kurnool, the prices of the corres-
ponding period of the famine year, 1886.

Communicated to the Collectors of
Bellary, Cuddapah & Kurnool.

2. The Board have read of the
District referred to, Bellary is the only
one for which weekly returns were
called for in 1886, and published in the
Gazette. The Collector of Bellary will
be requested to enter the prices of the
nearest corresponding week of 1886, in
a note, in a future return, with the
correction necessary owing to the

fact that the present prices are given
in local measures of 96 talab & those of
1866 in measures of 120 talab.

The collector of Buddapah &
Kinnool will arrange, if possible, for
some being done for their districts also,
but the Board apprehend that the
materials for weekly prices will suit,
if any where, only in as to the collection,
where perhaps prices were recorded daily
by day. The old monthly returns of
prices for goods, are the only ones in
records in the Board's office, and
these are quite useless for the present
purpose.

Yours faithfully

W. H. H. H.
Ag. Secy.
