Miscellaneous No 8986

Proceedings of the Board of Revenue
dated 19th October 1876

Read Proceedings of the
Madras Government Revenue De-
partment, dated 29th September 1876.

No 1079 observing that the extension of
the Canal and Ferry Act to the crossings
over certain irrigation channels in
Godavary District cannot be sanctioned
without some explanation of the
necessity for the measure; and directing
Board to submit estimates of saving
that will be effected by having ferry
boats instead of bridges at the crossings.

Communicated to the Collector
of Godavary with request that he

will obtain from the District Engineer estimates of the cost of bridges at the crossings in question.

As the Government have declined to extend Budget 1888 to the 219 forms, the allotments sanctioned from the Canal and Ferry Fund of the District for the construction and repair of boats for some of them as per margin cannot now be utilized. All further expenditure on these boats should be stopped and the Collector will furnish the Board with a Memo showing the number of boats constructed wholly or partially and repaired and the cost incurred.
