Proceedings of the Madras Government, Public Department,
9th October 1876. *No.* 1122.

Service Books.

No. 18. *Read the following Proceedings of Government, in the Pension Department, dated 19th September* 1876, *No.* 563:—

Read letter from the Collector of Kurnool, dated 18th August 1876.

Read also letter from the Accountant-General, dated 31st August 1876, No. 43.

Under Sections 50 and 63 (*bz*) of the Civil Pension Code (2nd Edition), His Grace the Governor in Council is pleased to grant to Aukulu, late sweeper, Markapur Taluq, Kurnool District, an invalid pension of Rupees (2-8-0) two and Annas eight per mensem, to which he is entitled for his qualifying inferior service of thirty-nine years, five months, and fourteen days, payable from the 16th December 1875.

2. The explanation given by the Collector of the delay of eight months in submitting the application, viz., the failure of the applicant for some time to furnish the cost of a printed service book, is very unsatisfactory.

3. His attention is drawn to Rule 4 under Section 69 of the above Code. It is quite clear from that section that a service book is to be supplied to every officer, at his own cost, only on his FIRST APPOINTMENT, and in G.O., No. 121, of 28th February 1873, paragraph 2, the strict observance of its requirements was enjoined. The Collector is therefore directed to lose no time in complying with the instructions contained in the above Government Order referred to.

4. The Government observe from several cases received for disposal that it seems to be frequently the practice to obtain and enter up the service book only a few months or so before an officer retires from Government service; whereby the provisions of Section 69 of the Civil Pension Code and of the rules are evaded. The attention of all Heads of departments is again drawn to the subject.

5. In some of the offices it is apprehended service books are not kept by inferior servants owing to a misconception of the rule. Section 69 of the above Code expressly excludes certain classes of inferior servants, but directs that service books shall be kept by all others.
