Proceedings of the Madras Government, Political Department,
12th October 1876. *No.* 661.

Pudukottai.

No. 35. *Read the following letter from the Political Agent, Pudukottai, to the Chief Secretary to Government, dated Trichinopoly, 7th October* 1876, *No.* 149 :—

With reference to G.O., dated 11th August 1876, No. 504, Political Department, referring to the education o[illegible] time at the Pudukottai State I have the honor to suggest, for the consideration of Government, whether it would not be a better plan to place him at Madras at the establishment which I believe it is proposed to form for the education of Minor Zemindars, &c., than to send him to Combaconum.

2. I saw Mr. Porter, the Principal of the College, a short time ago, and he said that it would be extremely difficult to exercise any special supervision over the boy at Combaconum, and altogether he did not consider the College a suitable place for his training.

3. I am not aware what has been definitely settled about the Madras scheme, but if it is carried out I should think it would be by far the best plan to send the boy there where he would be brought up under careful supervision along with other youths of his own class and standing.

No. 36. ORDER THEREON, 12th October 1876, No. 661.

The suggestion should be again brought [illegible] consideration when the proposed institution has been established.
