Administration Reports.

1. Read the following *Proceedings of Government in the Revenue Department*, dated 30th September 1876, No. 1393:—

ABSTRACT.—Approving the dates proposed by the Board of Revenue for submission of certain Periodical Reports and Returns to Government, ordering them to be reported to the Government of India; and paragraph 2 of Board's proceedings to be communicated to the Public Department.

67. **ORDER THEREON, 18th October 1876, No. 1168.**

The date fixed for submission of the Board's General Administration Reports, namely, the end of July in each year, will suffice for the purposes of this Department.

2. With reference to the Board's paragraph 4, it is observed that if the Government Farm Report cannot be forwarded till 30th December of each year, a section on the subject will be necessary in their General Report. As a general rule in the preparation of the Presidency Administration Report the Government should utilize the original sub-reports rather than to depend for material on copies specially prepared in advance. The latter are desirable only when there is a real difficulty in getting in the original sub-reports in good time.
