Mr. Kaspar Schaffmayer

To

The Supt. of Gov. Farms.

Sir

On the 1st of December 1875, I left the Eye Infirmary in Madras, where I was treated for several weeks for injury of my left Eye received by accident in the middle of October. Government granted me leave for the time being under treatment. I entered on duty shortly after my removal from the Eye Infirmary hoping that the condition of my eye will progress in the same rate as before. I attended periodically at the Eye Infirmary for inspection and applied medicine in the meantime until now. During this time my eye was in very fluctuating condition; it became
always.

always worse when I was exposed to the glare
of the sun and by ~~close~~ application of the eye
for a longer time such as reading, writing.
In the latter instance the more healthy
right eye also became worse, so that I am
unable to do my duty at present without
dangering the loss of my eyesight.

I therefore request the Supt. of Gov. Farms
to submit this for the kind consideration
of Government in order that leave may be
granted to me until my eye is in better con-
dition.

I have the honor to be.

^{Sir}
Your Most Obedient Servant
