CIRCULAR.

The Secretary to the Government of Madras

FORT WILLIAM, the 21st January 1876.

I am directed to forward the extract noted in the margin from a

recently been ascertained that some of the stillers at Uran have been in the habit of mixing sugar with spirit after distillation, and previous to being tested for duty, with the object of artificially increasing the density of the spirit, and thus causing the hydrometers to indicate a strength lower than the strength of the spirit.

by the Collector of the Revenue, Bombay, and to request that with the permission of His Excellency the Governor in Council

the attention of all officers of excise the hydrometer for the purpose of ascertaining the strength of country may be called to the practice of mixing sugar with spirit after distillation, or to increase its specific gravity and thereby unfairly reduce the amount paid on it.

J. B. B. B.
