The Tahsildar of Madak-

count of fodder, and
urges the necessity of re-
laxing the rule that tank
lands should not be culti-
vated as a special case

Under the circumstances
represented I am of opinion
the rule may safely be relaxed
as advocated, and I there-
fore request that you will
be good enough to move the
Board of Revenue to grant
the indulgence as a special
case not only for the benefit
of the ryots of Madakera
but of those of the other taluqs

in my Division as well.
I request early orders, as
the indulgence if granted
too late would be of little
