Proceedings of the Board of Revenue.

Dated 15 November 1906.

Read the following:—

No 99.

From I. J. Maltby Esqre
Ag Head Assistant Collector.

To The Secretary of the Board of
Revenue Madras.

Sir I have the honor to forward herewith the statistical account of the Town Dindigul for the Imperial Gazetteer of India.

2. I must at the same time express my sincere regret that any delay should have occurred in its transmission, and that the account should not be so full or complete as I could have desired.

3 I should have liked

to have had it checked in the Collector's office before forwarding it to the Board, but this was impossible owing to my removal from the District before its completion. I trust that the Board will if practicable kindly give Mr Master the Collector's office of Jungpore an opportunity of seeing it in its present shape before it is despatched to Dr Hunter

I take at the same time this opportunity of mentioning that the only parts of the Manual of Jungpore which are complete are the Political and Revenue History of the District. The Political History is however very intricate and troublesome. The greater part of it is already in print. Having been transferred to another District it is unlikely that I shall be able to complete the work for some time become owing to pressure of other duties, which are now occupying the greater part of my time and attention. I have however most of the materials for its completion by me and am anxious to finish it off as soon as possible.

I have &c
