*Proceedings of the Madras Government, Public Works Department,
9th November 1876. No. 3,010.*

No. 165. Read again Proceedings in the Judicial Department, No. 1,799, dated 31st August, and recorded in Public Works Proceedings, No. 51, dated 11th September 1876:—

Read also the following letter from Major H. W. WOOD, R.E., District Engineer, Vizagapatam, to Colonel W. T. F. FAREWELL, Officiating Under Secretary to Government, Public Works Department, dated Waltair, 27th October 1876, No. 1,547.

WITH reference to G.O., No. 51, dated 11th ultimo, I have the honor to request you will be so good as to furnish me with a copy of the Special Assistant Agent's plan for the work* therein alluded to, to enable me to revise the late District Engineer's plan and estimate as required.

* Constructing a building containing a kitchen, godown, and two servants' quarters on that side of the new bungalow at Koraput which is to be occupied by the Special Assistant Agent. Estimate Rupees 920.

No. 166. ORDER THEREON, 9th November 1876, No. 3,010.

CIVIL WORKS, No. 16.

THE demand made for additional accommodation for the servants of the Special Assistant Agent at Koraput is preposterous. Paragraph 2 of G.O., No. 301, of 5th February 1876, shows the excessive scale on which accommodation has already been provided. And the site plan shows that it is situated most conveniently for either wing of the house. His Grace the Governor in Council accordingly is not prepared to allow of any further addition to the sanction of Rupees 30,470 for a work which was originally intended to cost only Rupees 10,000.
