PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from

the Additional Sub collector, Bellary to
the Chief Secretary to Government, Madras
dated 17 November 1876. No 96.

In the absence of the collector
on circuit, I have the honor to report
that with one exception, none of the
European overseers detailed for
special duty who have joined here,
have tents.

2. I succeeded in obtaining one
from the Military Department for
the use of Mr. Hennessy who has been
sent out to Parnadevanhalli. Mr.
Kelly who has just arrived from
the Nilgherries has no tent and
two European Superintendents em-
ployed under Mr. Thornhill's in-
structions are similarly unprovided.
From a conversation which I had
with

with the Assistant Deputy Quarter Master General this morning. I do not think that the Military Authorities can assist us any further.

3. I hear that a tent from Gooty is coming in to be sold at Messrs. Abraham's, but it is probably old and useless and therefore cannot count upon that.

4. I require at least, three tents to allow of the Superintendents as they ought, moving about freely. The men cannot get them for themselves, for the coming Durbar has created a demand for tents greater than the market can meet.

5. I trust therefore that Govt. will see fit to either order the supply of tents at Bellary if they can possibly be spared, or have them furnished from Madras. Single pole tents with double flies about 10 or 12 feet square are what are required.

6. I request that sanction may be

2
be accorded, for the supply of the tents furnished to Overseer Hennessy for which I intended on emergency as he had to go out with his party with the least possible delay.

Memo from the Quarter Master General, thro the Military Department dated 21st. November 1876. No 8036.

The Quarter Master General in returning Order of Government No 5976 as requested, has the honor to state, that the Officer in charge of the Camp Equipage Depot has been directed to despatch 3 Staff Sergeants tents at once to the additional Sub collector at Bellary.

Order thereon 21 November 1876 No 2097
