the work performed in the Udipi

Taluk during the year under report, which

it will appear was more than that in 1874

notwithstanding the heavy work devolving

on the record clerk. The number of duffets

remaining to be arranged & indexed in the

Kasaragod Taluk at the end of the year 1875

was less than in the preceding year by 11 duffets.

Orders will be issued to the Tahsildar of Udipi

cleared off soon.
