PROCEEDINGS OF THE MADRAS GOVERNMENT.

## MARINE DEPARTMENT.

20th November 1876. No. 479.

CYCLONES.

No. 30. Read the following letter from H. S. BLANFORD, Esq., Meteorological Reporter to the Government of India, to the Chief Secretary to Government, dated Calcutta, 10th November 1876, No. 563:—

I have the honor to request that, if approved by His Excellency the Governor in Council, this office may be furnished with copies of any reports on the Cyclone of the 6th and 7th October which may have been submitted to the Madras Government either by District Officers, Masters Attendant or the Masters of Ships that subsequently came into port.

2. And I would further ask that the Masters Attendant of Madras and other sea ports may be desired, after the occurrence of any cyclonic storm in the neighbourhood of the Indian Coast, to apply to Shipmasters, who may thereafter arrive in port, for copies of that portion of their logs that relate to the storm or to the region in which it may be known to have occurred, if they have traversed it within a week prior to the storm's occurrence. Good observations on the [illegible] readings of the Barometer (if the Ship's Barometer is a compared instrument) [illegible] reference to the days preceding the [illegible] of a [illegible] nature.

No. 31.

ORDER.—Ordered accordingly that copies of all reports on the late Cyclone in all Departments be furnished to the Meteorological Reporter to the Government of India, and that the desired instructions be issued to the Master Attendant, Madras, for observance in his department and for obtaining extracts of logs bearing on the late Cyclone referred to.
