~~Proposal~~ *telegram to Superintending Engineer, Kistna.*

(Signed) JOHN MULLINS, Lt.-Col., R.E.,
Chief Engineer for Irrigation.

20th November 1876.

SUBMITTED for the consideration of Government.

This application of the Superintending Engineer, Kistna, for leave to manufacture mamoties and purchase baskets, &c., has no doubt been made with reference to an intimation given demi-officially to Major Hasted to be prepared to start relief works in the Western Delta should Government find such necessary.

2. The manufacture of mamoties can in no case lead to any loss, and the expenditure on baskets, &c., will not be of any importance. It is therefore recommended that the Superintending Engineer be authorized to do as he proposes, and that he be instructed to report the numbers intended to be got ready and their probable cost.

(Signed) JOHN MULLINS, Lt.-Col., R.E.,
Chief Engineer for Irrigation.

CIVIL WORKS, No. 31.

THE Superintending Engineer, Kistna, is authorized to prepare mamoties, baskets, and bamboos, and to charge the expenditure to the head Famine Relief Works.
