A letter from the Government of Bombay, No. 3623, dated the 31st August 1876, requesting reconsideration of this decision.

RESOLUTION.—In modification of the foregoing order, the Governor-General in Council is pleased to decide that the railway fare or boat-hire of an officer who, under the orders of his superior, travels by railway or boat to serve a process, shall be paid by the Government, and shall not, ordinarily, or unless it is specially so provided in the Rules framed under Chapter IV of the Court Fees Act, 1870, be recovered from the person at whose instance the process is issued. If any High Court or Chief Controlling Revenue Authority should see fit to modify any such existing Rules in accordance with this Resolution, the Governor-General in Council will offer no objection to such modification: provided always that it be shown that the fees levied under Rules so modified will, on the whole, suffice to cover all the expenses for the service of the processes to which the Rules relate, including railway fare and boat-hire in case of need.

ORDERED that a copy of this Resolution be sent to the Home Department and to the several Local Governments; also to the Comptroller-General, and the several Accountants-General, and the Deputy Accountants-General in independent charge for information and guidance.
