The Hon. D. J. Carmichael
Secretary to Govt.
Revenue Department
Madras.

Sir
On the 13 Oct. 1875 I applied to the
Col. of Malabar for a small block of
land, in S. E. Wynnad containing about
50 acres for the purpose of gold mining.
I begged that it might be granted to
me on the same terms as land was
granted to the Wynnad Gold Prospecting
Co. to whom Government has granted
mining rights over a block of land of
50 acres to be selected out of an area
of 500 acres. The Col. of Malabar in-
forms me that he is prohibited from
granting any land for gold mining.
and as the matter evidently rests

With this grace the Governor informs.
I beg you will be pleased to submit
my case for favorable consideration.
If the enterprise should prove successful
I am willing to submit to any terms
the Govt may hereafter decide as
regards Royalty &c.

I have the honor to be
Sir

Your most Obedt. Servant
