 Ag Postmaster Genl.

To enable the Board to furnish the information
 called for in the foregoing order, the Postmaster
 General is requested to state the probable
 savings that may be relied upon in all
 the districts under his control during the
 current year. It appears from replies to a
 circular, dated 21 August 1896, No. 1309,
 calling for information as to expenditure
 up to the end of August & the cost of establish-
 ments existing on that date that a sum of
 about Rs 10,000 is likely to be available. If an
 enhancement of pay is granted to the men
 & women in the Bellary District, the indulgence
 must be extended to the Postal Establish-
 -ments in the other districts in which an
 augmentation of salaries has been sanc-
 tioned; information is therefore requested as to
 the number of District Postal Employes drawing

Repeals & less per mensem in the districts of
 Bellary, Cuddalore & Kurnool that an
 estimate may be formed of the ability of the
 Fund to meet the extra charges.
