I have the honor to state
for the information of Government
that I have received from the In-

Magazines Bombay, an application
for Axes pick, Hoes and Mamooties
which are required in great number,
in the Deccan for issue for famine
relief works.

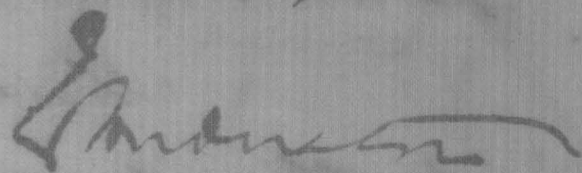

2. With regard to possible
contingencies in this Presidency
I shall be glad to know whether
I am to look to the number and
reserve of Mamooties &c solely in
a military point of view.

Order thereon 5 December 1876. ²¹⁰⁵

The Bombay authorities
should

should be informed that the exigencies
of this Presidency will tax local
resources to the utmost and that
demands from elsewhere cannot
