No. 572. Read the following endorsement of the Consulting Engineer for Railways,
dated Madras, 22nd November 1876, No. 573:—

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to
Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer
for Railways, dated Madras, 21st November 1876, No. 1,188.

I HAVE the honor to send you herewith the information of His Grace the
Governor in Council, the copy of a telegram which I have this morning received from
the Traffic Manager who is at Bellary, in reference to the working of the grain
traffic on the North-west Line.

2. Mr. Church's report of the condition of things on the line will, I trust, be con-
sidered satisfactory.

Telegram from H. E. CHURCH, Esq., Ghooty, to R. B. ELWIN, Esq., Agent and Manager
of the Madras Railway Company, Royapuram, dated 21st November 1876.

GRADUALLY but surely getting over our temporary difficulty. Bellary merchants do not
appear in any hurry; at 3 o'clock to-day there were 15,000 and odd bags lying in the com-
pound and about 1,500 in wagons; we are now running four extra trains into Bellary daily;
and in order to get room for unloading, I have issued public notice that Company will not be
responsible for loss of, or damage to, grain after it has been unloaded from the wagons; we are
moving from Raichore all we receive without much difficulty; will advise from time to time. I
am perfectly satisfied with what is being done.

SUBMITTED to Government for information.

Consulting Engineer for Railways.
