Leave—Advances.

No. 233. *Read the following circular from E. F. HARRISON, Esq., Comptroller-General, dated Calcutta, 7th November 1876, No. 4:—*

Advances of pay to ministerial officers for any privilege leave (under Civil Leave Code, Supplement F, Section 12-1) are made—not as a matter of course but—in the authority of a separate warrant in each case signed by head of the office; this warrant should be presented at the treasury in support of a separate bill for the single item, and will accompany that bill to the Account Office. The amount will be finally charged against the service head, and a note will be made in the Audit Register in the column assigned to each month for which any pay is advanced in the same way as arrear payments are now noted.

A, whose salary is Rupees 150 a-month, receives an advance of Rupees 200; note will be made of payment of the first month's pay in full, and of Rupees 50 on account of the second month.

This circular must be regarded as a continuation of No. 223.
