*Proceedings of the Madras Government, Public Department,
26th January 1876.*

Sanitary.

No. 47. Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Cuddalore, 19th January 1876, No. 4:—

I regret to report for the information of Government an outbreak of cholera near Tindivanam which threatens to become severe.

2. I received the intelligence about an hour ago through the medium of the Railway Telegraph.

3. Mr. Gibson, the Acting Head Assistant Collector, is well supplied with cholera pills and carbolic acid and has an additional Hospital Assistant working in his division besides his own office Hospital Assistant, so I hope soon to hear that the preventive measures which I have requested him to adopt, and for carrying out which I have directed money to be placed at his disposal forthwith, have been successful in arresting the spread of the disease.

4. The following was the telegram received:—

"Outbreak of cholera threatens to be severe. Railway works stopped, and panic. Ten people died in twenty hours out of a population of one thousand at Woolocoor. Disease also here at Tindivanam."

No. 48. ORDER THEREON, 26th January 1876, No. 78.

Communicated to the Surgeon-General, Indian Medical Department, and to the Sanitary Commissioner.

2. The Collector's action is approved. He will keep Government informed of the progress of the disease.

(True Extract.)

W. Hudleston
Chief Secretary.

To the Collector of South Arcot.

Surgeon-General, Indian Medical Department.

" Sanitary Commissioner.
