and the following endorsement of the Chief Secretary to Government, dated 13th November 1876, No. 1,817:—

Proceedings of the Board of Revenue, dated 30th October 1876, No. 2,693.

gain letter from the President of the Local Fund Board, Nilgiri Circle, dated 17th March 1876, No. 6, recorded in Board's Proceedings, dated 11th May 1876, Miscellaneous No. 3,874:—

Read also the following letter from J. R. COCKERELL, Esq., President of the Local Fund Board, Nilgiris, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 24th June 1876, No. 9.

In reply to Proceedings of the Board of Revenue, Miscellaneous No. 3,874, dated 11th May 1876, requesting me to point out the source whence funds for the adjustment of Rupees 3,603-0-6, the value of Sapper labor of 1872-73, can be provided, I have the honor to annex a resolution of the Nilgiri Local Fund Board passed at a meeting held on Monday, the 29th of May 1876, on the subject:—

“The Board are unable to make any allotment for this purpose from the current year's Budget.”

SUBMITTED for the orders of Government.

2. The foregoing papers relate to the adjustment of the sum of Rs. 3,603-0-6, being the value of Sapper labor of 1872-73. The history of this charge is given in the Controller's letter recorded in G.O., Public Works Department, dated 23rd August 1875, No. 2,411, a copy of which is furnished with the President's first letter.

3. The District Engineer states that he cannot spare the amount from the current year's allotments for works, and the Circle Board are unable to make any allotment for the purpose.

4. It will be observed from the statement appended to Board's Proceedings, dated 29th June 1876, No. 1,671, that the condition of the Road Fund of the Circle was such that the Board could not trench upon it towards meeting the retrenchment of 5 lakhs. According to the Local Fund Report for 1875-76 lately received for the Circle, the transactions of the Road Fund closed with a deficit of Rupees 8,970 which must be made good this year, and, as there is no prospect of any grant from Provincial Funds for the ensuing year, the Board see no chance of the charge in question being met from the Local Funds of the Circle. They beg therefore to suggest that orders may be issued for the adjustment of the charge against Provincial Funds.

Acting Secretary.

REFERRED to the Public Works Department for disposal. No additional grant for the purpose can be made from Provincial Funds.
