Read the following Proceedings of the Board of Revenue, dated 21st November 1876, No. 2908:—

the following Proceedings of the Madras Government, dated 5th October 1876, No. 2045, Judicial Department:—

ABSTRACT.—Belts and Badges.—Inspector-General's letter stating that belts for sons of the Educational Department can be made up at the Coimbatore Jail, communicated to the Director and to the Board of Revenue in view of materials of Jail manufacture being used in supplying belts to the several Departments.

The Board understand from G.O., dated 19th February 1876, No. 311, that they are not required to exercise any control in regard to the supply of belts to other than those of the Revenue Department. Samples of webbing have already been furnished to Heads* of Departments, and the Board have decided that so far as the offices under their control are concerned, webbing will be used for the belts of all taluq peons; but the extent to which webbing can be used in other Departments must, in the Board's opinion, be left to the Heads of the several Departments to decide, and it was the intention of the Government Order quoted above that such was the intention of the Government.
