RESOLUTION.—By Resolution No. 1317, dated 24th February 1870, the Governor General in Council was pleased to rule "that whenever a public officer is sent to a hill station at which his services are not required by the Government to which he is subordinate, the permission must be understood to be given on the condition that it entails no extra expense on the State, in the way of travelling or deputation allowances to clerks, or otherwise."

2. The President in Council considers that, as a rule, the order of February 1870 should apply to all Heads of Departments accompanying the Government to a sanitarium; and he is accordingly pleased to rule that no charge shall be admitted to the public accounts for the residence at a sanitarium of any Head of a Department without the general or express sanction in each case of the Governor-General in Council; such sanction will not be given as a matter of course, or save for special reasons. The Local Governments should now immediately submit a list of the Heads of Departments whose attendance upon the Government at sanitarium is considered absolutely necessary, with an explanation of the reasons in each case. In pursuance of this Rule, the Local Governments will doubtless not insist, without sufficient reasons, upon Heads of Departments accompanying them to sanitarium. The President in Council has no objection to Heads of Departments being allowed to accompany Local Governments to sanitarium, provided that no public expense is thereby incurred.

ORDERED that this Resolution be communicated to the Governments of Bengal, the North-West Provinces, the Punjab, the Central Provinces, and Bombay and Madras for information and guidance.

(Signed) R. B. CHAPMAN,
Secretary to the Government of India.
