PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th January 1876.

Read the following letter from T. VOND. HARDINGE, Esq., Acting Sub-Collector, in charge of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 16th November 1875, No. 2,984:—

I HAVE the honor to request that eight spare copies of the lists A, B, C, and D, which were circulated with Board's Proceedings, No. 2,794, dated 6th October 1875, may be supplied to this office for the use of the several Sea Customs Superintendents and Assistant Superintendents in the district.

FOUR copies of the lists A, B, and D, with four copies of the Memorandum of alterations to be made in list A communicated with Board's Proceedings, dated 16th November 1875, Miscellaneous No. 10,303, are herewith forwarded to the Collector of Nellore, that being the number available. A further supply will be printed and sent.

2. No copies of list C have yet been received though it was stated in the memorandum which accompanied G.O., dated 26th August 1875, No. 1,292, that they would follow. The Board request Government to obtain the promised copies of this list from the Government of India.

3. The Board take this opportunity to inform Collectors of maritime districts that list D, which was compiled from the English classified lists, is simply intended to show the principle on which the line of division should be drawn between drugs on the one hand and chemical products on the other and that it was not intended that it should be literally adopted. Articles appearing in the list D may be shown under items other than Chemicals or Drugs, if there are suitable headings. For instance, Borax and Cardamoms, though entered in list D, will not appear in the Trade Returns under Drugs or Chemical Products; but, as prescribed in list A, Borax will form a major head and Cardamoms will appear separately under Spices.
