No. 31. Proceedings of the Madras Government in the Revenue Department, dated 20th November 1875, No. 1,664.

Proceedings of the Board of Revenue, dated 22nd October 1875, No. 2,939.

From H. NEWMAN, Esq., Acting Collector of the Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 23rd September 1875, No. 1,230.

* Sanctioned in G.O., No. 1,598, dated 19th December 1874, communicated with Board's Proceedings, dated 25th June 1875, No. 1,759.

In the Revenue Budget* of the current official year Rupees 20,000 were allotted for Salt canal from Manganapudy to Masulipatam under Petty Construction and Repair, "Salt."

2. Government in their Order, No. 43, of the 11th January 1875, embodied in Board's Miscellaneous Proceedings, No. 342, of the 18th idem, mentioned that the subject of transfer of funds from the Civil to Public Works Budget is under reference to the Government of India.

3. The District Engineer now wishes to know if the necessary funds will be placed at his disposal for putting the work in hand. I have the honor to request the Board's instructions on the subject.

THE work is entered in the list of Petty Construction and Repairs to be executed in the Revenue Department, and was not included in the list of works to be transferred to the Department of Public Works, forwarded to Government with the Board's Proceedings, dated 16th September 1875, No. 2,589, as the Collector reported in his letter, dated 20th July 1875, No. 992, that there were no works to be transferred to the Public Works Budget. The Government will now be requested to add the work under notice, viz., "the canal from Manganapudy to Masulipatam, Rupees 20,000," to the list forwarded with the Board's Proceedings above referred to. This raises the total amount to be transferred to the Department of Public Works from Rupees 48,058 to Rupees 68,058.
