PROCEEDINGS OF THE BOARD OF REVENUE, dated 22nd December 1875.

Read the following Proceedings of the Madras Government, dated 22nd November 1875, No. 2,469 Judicial Department:—

ABSTRACT.—*Belts and Badges.*—Orders passed on Secretary of State's despatch intimating that the proposed expenditure on badges with the Royal Arms in German silver for Government peons is unnecessary.

COMMUNICATED to all Heads of Offices for information and guidance.

2. The Board understand the intention of G.Os., dated 9th September 1874, No. 1,672, and 29th July 1875, No. 1,678, to be that the Board should select distinctive colors for the several departments and determine the quality of cloth to be used and the minimum period for which belts should last. This has already been done (*vide* Board's Proceedings recorded in G.Os., dated 3rd September 1875, No. 1,935, and 15th September 1875, No. 2,020, and their Proceedings, dated 19th October 1875, No. 2,902).

3. Some Heads of Departments, however, appear to be under the impression that in future all indents for peons' belts are to be forwarded to the Board. The orders of Government do not appear to warrant this interpretation, and it is obvious that the Board can exercise no efficient check as they do not control the expenditure of departments other than the Revenue Department and are not aware of the budget provisions. The Board were relieved of this duty by G.O., dated 19th July 1862 No. 1,550, and they do not imagine that it was the intention of Government to impose it again.
