land measuring half a cawny, assessed at Rupees 5-11-10, as particularized in the Deputy-Collector's letter, has been lost to the Inamdar. I request therefore that you will be good enough, under the circumstances stated by the Deputy-Collector, to obtain the sanction of the Board of Revenue for the grant of ready-money payment to the Inamdar, equal to the assessment lost to him.

Collector of North Arcot, dated Wandewash, 20th August 1875, No. 399.

I HAVE the honor to inform you that in the village of Kavedu, in Wandewash Taluq, the bund of the village tank was removed further north about twenty years ago, and the Inam lands, as per

of their putta lands being converted into Inam.

2. It is, however, competent to Government to alienate their Revenue as they please, but it would be as well to sanction a money grant equal to the assessment Rupees 5-11-10 on the Inam lost, otherwise the ryots concerned may not pay the assessment regularly to the toties, and the Government gain nothing whether the fresh grant in the form of cash payment be from the Government Treasury or by the ryots.

3. The petition has been pending in the taluq for nearly two years and-a-half, and the toties had their Inam lands under water for upwards of twenty years.

(True Copy.)

(Signed) W. S. WHITESIDE,
Collector.

IN the village of Kavedu, in the Wandewash Taluq, a portion of the Toti Service Inam half a cawny in extent, assessed at Rupees 5-11-10, was taken up for the extension of a tank bed. There being no land available in the village for fresh assignment, the Collector recommends a ready-money allowance.

*Proceedings of the Madras Government, Revenue Department,
13th January 1876.*

2. The Board support the Collector's recommendation, and request sanction of Government for a money grant of Rupees 5-11-10, equal to the assessment lost to the Inamdar.

I have the honor to state that it appears that the entire extent of the Toti Inam of Kavedu village in question is as noted in the margin, of which nunjah

ENCLOSURE No. 1.

From C. SRIBALIAH, Acting Deputy-Collector, on General Duties, to W. S. WHITESIDE, Esq., Collector of North Arcot, dated Wandewash, 20th August 1875, No. 399.

I HAVE the honor to inform you that in the village of Kavedu, in Wandewash Taluq, the bund of the village tank was removed further north about twenty years ago, and the Inam lands, as per margin, attached to toty service are now under water three yards deep. The toties finally applied for a fresh grant in April 1873, but there is no Government waste land available for the grant, and the ryots are not disposed to allow of their putta lands being converted into Inam.

2. It is, however, competent to Government to alienate their Revenue as they please, but it would be as well to sanction a money grant equal to the assessment Rupees 5-11-10 on the Inam lost, otherwise the ryots concerned may not pay the assessment regularly to the toties, and the Government gain nothing whether the fresh grant in the form of cash payment be from the Government Treasury or by the ryots.
