1. The first step in the process of the investigation is the identification of the problem. This is done by the investigator who is responsible for the study. The investigator must first identify the problem that is being investigated. This is done by the investigator who is responsible for the study. The investigator must first identify the problem that is being investigated.

Table 1. The results of the regression analysis of the effect of the variables on the dependent variable (the number of visits to the doctor) for the 1990-1991 season

[illegible]
$$\frac{d}{dt} \left(\frac{\partial L}{\partial \dot{x}} \right) = \frac{\partial L}{\partial x}$$

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

*Proceedings of the Madras Government, Public Works Department,
8th February 1876.*

No. 119. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 14th January 1876, No. 21 A.—I.:

I AM directed to invite attention to Public Works Department letter No. 217 A.—I., dated 22nd July 1875, and to request that the Government of India may be informed when the revised estimate for the Madras Water-supply Project, and the particulars of the revenue likely to be derived from the work, may be expected.

2. I am to take this opportunity to remind the Government of Madras that the revised estimate for the project and revised estimate of revenue receipts were called for more than two years ago, and that the Governor-General in Council trusts that the required documents will be furnished without further delay.

No. 120. ORDER THEREON, 8th February 1876, No. 343.

IRRIGATION, No. 10.

Account.

COMMUNICATED to the Superintending Engineer, Chingleput, who will report at once when the revised estimate for the Madras Water-supply Project will be submitted.

2. It is observed that some information regarding revenue has been given to the Government of India in Proceedings, Madras Government, No. 21, 5th January 1876, and that a Capital Account to the end of 1874-75 has been transmitted in Proceedings, Madras Government, No. 342, dated 8th February 1876.

(True Extract.)

G. Walker Major-General, R.E.,
Secretary to Government.

To the Superintending Engineer, Chingleput.
" Chief Engineer for Irrigation.
" Revenue Department.
" Controller of Public Works Accounts.

Exd. E. C. Shunker.
