*Proceedings of the Madras Government, Revenue Department,
20th April 1876.*

No. 107. Read the following Proceedings of the Board of Revenue, dated 22nd March 1876, Miscellaneous No. 2,519:—

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Saidapet, 8th March 1876, No. 151.

It appears from a report received from the Acting Sub-Collector of Chingleput

Fasli.	Rs.	A.	P.
1277	380	15	2
1278	152	9	2
1280	652	1	4
1282	5,153	2	7
Total	6,338	12	3

that a sum of Rs. 6,338-12-3, as particularised in the margin, realised on account of road-cess in certain villages of the Conjeveram Taluq has been erroneously credited in the taluq account to "Land-revenue," the effect of which was to reduce in the taluq accounts under the latter

head a corresponding amount *really irrecoverable*, and to cause disagreement between the two accounts as regards balance. I have, therefore, the honor to request that the Board will accord their sanction for refunding Rs. 6,338-12-3 and crediting it to Local Fund, and for expunging a corresponding balance from the village accounts under "Land-revenue." I have desired the Acting Sub-Collector to take notice of the conduct of the officials, through whose carelessness the mistake above referred to has occurred.

THE sanction of Government is requested for the refund of Rs. 6,338-12-3 erroneously credited to Land-revenue, in order that the same may be carried to the credit of Local Funds.

2. The Collector is authorised to include the corresponding balance under Land-revenue of Rs. 6,338-12-3 in the amount of irrecoverable arrears which may be recommended to be written off in the next settlement report.

No. 108. ORDER THEREON, 20th April 1876, No. 512.

Miscellaneous.

THE Government sanction the transfer of Rs. 6,338-12-3 from "Land-revenue" to "Local Funds" as recommended;

but they desire to know what steps are usually taken to keep the collections on account of the land-cess appertaining to Local Funds distinct from the Ain Land-revenue, as it not unfrequently happens that the money tendered by the ryots is usually in the lump without any information as to how much belongs to the cess and how much to the land assessment.

This is a fact that there

they receive to Land Revenue, and that
they endeavor to keep as little as possible

result is often con- is usually in the
