" District Engineer of Cuddapah.
" Collector of Cuddapah.

Proceedings of the Madras Government, Public Works Department,
11th February 1876.

No. 169.

Read the following :—

No. 84.

Note by the Chief Engineer for Irrigation.

THE following estimate from the 1st Range is forwarded by the District Engineer, Cuddapah, with his letter marginally noted :—

No. 2,066, dated 8th January 1876.

2. The financial and hydraulic details of the Irrigation Work concerned are exhibited in the following statements :—

I.—Financial Details.

Name of Work.	Talsq.	Estimate No.	Work.	Amount.	AMOUNT OF ESTIMATE.		
					Capital.	Revenue.	Total.
Jammalmadoogoo.	187	...	Repairing the Degooa Brahmanpully Tank.	664			
Degooa Brahmanpully Tank	...	...	...	...	Rs. 664	Rs. 664	Rs. 664

II.—Hydraulic Details.

Name of Work.	Catchment Basin Area.	MAXIMUM SUPPLY.		LENGTH OF ESCAPE.		AVERAGE HEIGHT OF BUND.		Surplus discharged at M.T.L. per Section.	Tanks above.
		Catchment per Second.	Channel per Second.	Total.	Effective.	Above F.T.L.	Above M.T.L.		
Degooa Brahmanpully Tank.	Sq. M.	C. FT.	C. FT.	FT.	FT.	FT.	FT.	C. FT.	No.
	2	504	...	82	82	470	270	779	Not stated.

NOTE.—The proposed dimensions of escapes and heights of bund are entered in red. The existing dimensions in black. The following abbreviations are used :—C.—Casingulah with dam stones. W.—Weir with flash crest. E.—Escape at ground level. B.—Bund of tank.

3. The estimate provides for closing two breaches in the bund and rebuilding a sluice which was washed away, and repacking a portion of the revetment. It appears from the report that the existing means of escape for surplus is ample, and that the breaches were probably caused by the neglect of the ryots to make some necessary petty repairs to the bund. The work has been partly carried out, but it may be remarked that as most of the sluice was destroyed it would probably have been preferable to have adopted a better pattern than that shown in the drawing accompanying the estimate.

FORT ST. GEORGE,
24th January 1876.

(Signed) A. DEC. SCOTT, Major, R.E.,
for Chief Engineer for Irrigation.

To the Secretary to Government, Public Works Department.
