No. 119. Read the following Proceedings of the Board of Revenue, dated 28th March 1876, No. 849 :—

Read again G.O., dated 18th September 1875, No. 1,378, Revenue Department, communicated to Collector of Ganjam with Board's Proceedings, dated 30th September 1875, Miscellaneous No. 8,869.

Read also the following letter from R. DAVIDSON, Esq., Acting Collector of Ganjam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 13th December 1875, No. 2,697 :—

REFERRING to paragraph 3 of the Board's Proceedings of the 23rd August last, No. 2,364, I have the honor to inform you that the difference noticed by the Board in the amount of money-compensation for lands taken up for roads was the result of a clerical error. The correct amount, according to the details given in the statements submitted, is, as the Board observe, Rupees 7,627-6-3.

2. I have issued the necessary orders for the assignment of lands in lieu of pagoda lands taken up, and the result will be reported to the Board in due course.

3. In the mean time I request that the Board will be pleased to exclude those items in the statements already submitted, which are detailed in the annexed statement, and to dispose of the rest.

6. The sum of Rupees 2,000 remitted by the Public Works Department and which is now in deposit was on account of the road from Ganjam to Aska via Purushottamapur. Deducting these Rupees 2,000 from the amount of Rupees 2,554-2-9 to be paid from Provincial Funds, there remains a sum of Rs. 554-2-9 yet to be paid from that source.

In the Collector's letter, dated 14th April 1875, No. 85, ... Government Order quoted above, two statements of compensation were submitted containing proposals for the assignment of fresh lands, &c., and the payment of ready-money compensation on account of lands taken up for public purposes.

2. The assignment of fresh land and the reduction of quit-rent and peishcush were sanctioned. Regarding the money-compensation the Collector was asked to explain certain discrepancies. This explanation is submitted in the second letter read above.

3. The Collector now requests sanction for the payment of Rs. 6,181-0-3 to be met from Local and Imperial Funds on account of lands taken up for the items noted below:—

Proceedings of the Madras Government, Revenue Department,
21st April 1876.

4. The Board sanction the payment of Rupees 3,626-13-6 under "Other Agency" as compensation for lands taken up for local roads to be met from the Road Fund Balance of the Chetterpore Circle.

5. The Accountant-General is requested to place the amount at the disposal of the Public Works Department.

6. The compensation to be met from Imperial Funds amounts to Rupees 2,554-2-9; deducting from this the sum of Rupees 2,000 remitted by the Public Works Department and kept in deposit on account of the road from Ganjam to Aska via Purushottamapur, there remains a balance of Rupees 554-2-9 to be met from that source. The sanction of Government is requested for the disbursement of this sum.

7. It is observed that the actual amount of compensation for lands taken up for the road from Ganjam to Aska via Purushottamapur is Rupees 1,860-6-0, and, if this sum only is to be paid out of the Rupees 2,000 in deposit on account of that item, the sanction of Government will also be required for the payment of the difference (2,000—1,860-6-0) Rupees 139-10-0.
