*Proceedings of the Madras Government, Revenue Department,
10th May 1876.*

No. 85. Read the following Proceedings of the Board of Revenue, dated 4th April 1876, No. 918:—

Read the following letter from H. S. THOMAS, Esq., Collector of Tanjore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Vallam, 2nd March 1876, No. 823:—

With reference to the Proceedings of the Board of Revenue, dated 5th October 1875, No. 2,784, paragraph 4, I have the honor to report that the charges on account of stamping weights and measures therein referred to appertain to the Combadum Taluq alone, where an establishment costing Rupees 21 a-month is entertained. The transactions in other taluqs do not appear to have been correctly brought to account.

2. In the Tanjore Taluq the authorized fees are collected and carried to the credit of Government after paying daily wages to the smith and measurer; in the Mannargudi Taluq a moiety of the collections is credited to Government, and the other is paid to the smith and measurer; in the other taluqs the whole of the fees collected are shared by the smith and measurer, and consequently no transactions are shown in the accounts.

3. These arrangements are no doubt irregular, and I am, therefore, now arranging to entertain establishments in each taluq and dispense with the system of paying daily wages, &c. If, when the scheme is introduced, it is found that the fees will still leave a large surplus, I shall at once adopt measures for reducing them.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 5th October 1875, No. 2,784.

2. In future the Collector should see that the entire receipts and charges are brought to account.
