*Proceedings of the Madras Government, Revenue Department,
11th May 1876.*

No. 95. Read the following Proceedings of the Board of Revenue, dated 24th April 1876, No. 1,085:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Paupanasam, 10th April 1876, No. 221.

I HAVE the honor to report the death, on the 23rd ultimo, of Sunkini Boye, the guardian of the two minor sons of the late Muttahdar of Sundarapatchayapuram in Ottapidaram Taluq.

2. The late Muttahdar Hari Row died in 1870, leaving two minor sons and a daughter, and the estate was managed by the deceased Sunkini Boye, his widow, as guardian of the minors till the date of her death. The elder of the minors is sixteen years and the younger thirteen years of age. The daughter is eight years old, and, being very young, lives in her mother's house, though married. The son-in-law also resides with the family.

3. The estate is free from debts, and has movable property worth Rupees 11,804.

4. The debts due to the estate amount to Rupees 14,045-7-3, and the interest thereon for the last year, or fasli 1284, was Rupees 1,418-1-11.

5. A statement showing the Zemindari and other immovable property with the assets, peishcush, assessment, &c., for fasli 1284 is herewith submitted.

6. The deceased on the day previous to her death sent a petition (translation enclosed) through her Manager requesting that the estate may be taken under the management of the Court of Wards, and I think it desirable that this be done. If the Board sanction this proposal, I will submit a list of establishment required, and of allowances to be made as well as proposals for the education of the minors.

ENCLOSURE No. 1.—List of Immovable Property.

ENCLOSURE No. 2.—Abstract Translation of Petition.

SUBMITTED for the orders of Government with the recommendation of the Court of Wards, that they be authorised to take charge of the estate as proposed by the Collector.

No. 96. ORDER THEREON, 11th May 1876, No. 603.

Miscellaneous.

THE Government sanction the estate being taken over by the Court of Wards.

2. It should be explained why the question of taking the estate under management was not mooted in 1870, on the death of the proprietor. It is to be feared that very little progress in the education of the eldest boy can be expected at his present age.
