No 103. Read the following Proceedings of the Board of Revenue, dated 27th April 1876, No. 1,120 :—

Read the following letter from J. D. B. GRIBBLE, Esq., Acting Collector of Cuddalore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 19th April 1876, No. 92.

As directed in Government Order, Revenue Department, No. 462, dated 3rd April 1876, communicated with Board's

Also Board's Proceedings, dated 11th April 1876. Miscellaneous Proceedings, dated 8th April 1876,* I have the honor to submit

a list of relief works which I propose for execution should necessity arise.

2. It will depend upon the amount of scarcity whether all or part of the roads will be undertaken.

3. It will be observed that the works proposed will engage labor in all parts of the Sub-Division and Pulivendla, which are most likely to suffer. The rest of the main division is not likely to suffer as much, but works have been entered in the list in the event of necessity arising.

4. The construction of most of these roads is contemplated by the Local Fund Boards when funds are available.

5. At present I have no reason to apprehend scarcity, but shall keep the Board duly informed of any changes that may occur.
