No. 105. Read the following Proceedings of the Board of Revenue, dated 3rd May 1876, No. 1,165:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Tinnevely, 21st April 1876, No. 251:—

In reply to Board's Proceedings, dated 8th April 1876, No. 957, I have the honor to forward a list of works included in the Local Fund Budget for the current year which are in the neighbourhood of the only parts of the district where there is likely to be any pressure.

2. The demand for labor for the coffee estates in Travancore and the large emigration to the coffee estates in Ceylon would I am satisfied obviate the necessity of special works even if otherwise such necessity would have arisen, but the deficiency of the harvest has not been serious enough for this, and I have no doubt that exceptional measures will not be necessary.

The person with whom
 the land has fallen into
 hands of persons in possession
 of the same. Had it been otherwise
 the list of works to

 is a pity that the
 land is now in the

 State. I am
 very much
 interested in
 the matter.
