No. 119. Read the following Proceedings of the Board of Revenue, dated 6th May 1876, Miscellaneous No. 3,713:—

Read the following letter from H. LEFANU, Esq., Acting Head Assistant Collector, to C. T. LONGLEY, Esq., Collector of Salem, dated 10th April 1876, No. 4 D.M:—

WITH reference to Proceedings of Government, No. 178, dated 10th February 1876, I have the honor to state that I had hoped to get materials for the District Manual together by the 31st October, and to have the manuscripts ready for transmission by the 1st January 1877. Information is coming in, but I regret to say that some references have not been replied to as yet; I trust, however, that these matters will be shortly arranged satisfactorily, and I do not wish the invidious task of detailing them if I can avoid it.

2. I am at present at headquarters with the view of going through the Huzur records, which you estimated would take two months. From what I have seen of the Baramahal records alone, I doubt if time would suffice even if I had no other duty to attend to. You are aware that by the translation of Mr. Benson, a considerable portion of his work has fallen to my hands, and the Jamabundies of Salem and Utenghiri, with the revision of the Village Establishment in that taluq, will take up much time. I still trust to have the manuscripts completed by the 1st January 1877, but from the Proceedings above quoted it appears that this is not absolutely a *sine qua non*. Meanwhile, any "short articles" which may be required for Dr. Hunter, I shall be prepared to supply if called upon. Except Ahtur, I believe there is no place in the district of sufficient importance to fall within the category of these short articles.

SUBMITTED to the Board of Revenue with reference to their Proceedings, dated 23rd February 1876, No 531.
