G.O. on the above, 15th May 1876, No. 619.

SIR,—In continuation of my letter, dated 22nd April 1876, No. 532, I am directed to forward the correspondence marginally noted, which has since taken place on the subject of the adjustment of duty on salt supplied from Bombay by merchants under contract with this Gov-

ernment, to the Western Coast Districts of this Presidency.

2. It will be seen that the restrictions imposed by the Bombay authorities are due to the fact that, in their opinion, there is no sufficient guarantee that salt delivered to the contractors is actually shipped at Bombay; the agreement with the Collector of Canara stipulating only for the payment of full duty on salt *exported* from Bombay. On this point I am to state that His Grace the Governor in Council agrees with the Board, that there can be no difficulty in providing the necessary check upon the quantity really sold, and in ensuring its being put on boardship.

3. I am to add that the Governor in Council has issued instructions for the Commissioner of Customs, Bombay, being furnished with Remittance Transfer Receipts as insisted on by him, the Controller-General having given his consent to the measure, and that the arrangement has been made, pending final instructions from the Government of India on the question of adjustment of the duty.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) D. F. CARMICHAEL,
Secretary to Government.

To the Secretary to the Govt.
of Madras. Dep't of Agric.
Agriculture Department.

Sir,

In continuation of my
letter of 22nd April 1876
No. 572, I am directed
to forward the correspondence
marginally which
has since taken place
on the subject of the ad-
justment of duties on salt
supplied from Bombay
by merchants under
contract with the Govt.,
to the Western Coast Dis-
tricts of this Presidency.

It will be seen that the
resolutions imposed by the
Bombay authorities are
due to the fact that, in
their opinion, there is no
sufficient guarantee
that salt delivered to the
contractors is actually
shipped at Bombay, the agree-
ment with the Govt. of Canada

1
stipulating only for the
payment of full duty on
salt exported from Bantam

On this point I am to state
that ~~the~~ ^{the} ~~fact~~ ^{fact} ~~is~~ ^{is} ~~agreed~~ ^{agreed} in the
opinion expressed by the
Board, that there can be no
difficulty in providing
the necessary check
upon the ^{really} quantity of
it in ensuring its being
put ~~on~~ board ship.

I am to add that the
Govt. have issued instruc-
tions for the Commissioner
of Customs, Bantam, being
furnished with the
necessary Transfer re-
ceipts as insisted on by
him, the Controller General
having ^{given his} consent to the
measure, that the ar-
rangement has been made,
pending final instruc-
tions from the Govt. of India
on the question of ad-
justment of the duty.
