*Proceedings of the Madras Government, Revenue Department,
16th May 1876.*

No. 149. Read the following Proceedings of the Board of Revenue, dated 28th April 1876, No. 1,127 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 30th March 1876, No. 816.

On the introduction of the Abkari excise system in this district in 1875, the gaugers for the distilleries at Nellore and Kavali were appointed from this Office with a lien on their substantive appointments. One of them was an Accountant in the Account Department, and the other a Gumastah in the Huzar Treasury, both trustworthy men.

2. They are paid from funds supplied by the Abkari ~~excise~~ ^{excise}. To entitle them to count their Abkari service towards pension, the transfer of their services to the Abkari Department will have to be sanctioned. They are willing to pay their contribution at 12 per cent. on their salaries under Section 35 of the Civil Pension Code in view that their services may be counted towards pension.

3. I have the honor, therefore, to request that their transfer for employment in the Abkari Department may be sanctioned with permission to pay the required contribution to Government.

SUBMITTED for the orders of Government in continuation of Board's Proceedings, dated 19th April 1876, No. 1,027.

2. It is for Government to decide whether pensionary contribution should be recovered under Section 35 of the Pension Code; if not, the establishment will be regarded as a temporary Government establishment and service may be counted towards pension under Section 18.

2. The Board are of opinion
that Section 35 of the Pension
