*Proceedings of the Madras Government, Revenue Department,
16th May 1876.*

No. 155. Read the following Proceedings of the Board of Revenue, dated 6th May 1876, Miscellaneous No. 3,722:—

Read the following letter from J. HOPE, Esq., Acting Collector of the Godavery District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 16th March 1876, No. 51.

THE Hospital Assistant attached to my Office requests that double batta may be granted to him for the time he is on duty in the Bhadrachellam Taluq newly transferred to this district from the Central Provinces.

2. The Collector generally goes to the taluq on tour about the middle of February each year. The Hospital Assistant, of course, accompanies him, and on the Collector's return from the taluq he is left behind to attend to sanitary arrangements, &c., during the annual festival held generally about the beginning of April at Bhadrachellam, so that he returns to the headquarters after about two and a-half months.

3. The taluq is most unhealthy and all articles of food (which have to be imported from the lower Godavery District) are very dear. The Hospital Assistant has to return from the taluq at a time when steamers do not ply, and as he is not with the Collector's establishment he is put to the additional expense of hiring a boat for his own use.

4. Government were pleased to sanction double batta to the Superintendent of Vaccination and Vaccinators while on duty in the Bhadrachellam Taluq (G.O., dated 26th of April 1875, No. 519).

5. Under the foregoing circumstances, I have the honor to recommend that the Board of Revenue will be pleased to obtain sanction for the grant of double batta to my Hospital Assistant while on duty in the Bhadrachellam Taluq.

SUBMITTED for the favorable consideration and orders of Government.
