Number of houses — Existing in the present site 601 for which land is required — 100, and many more are likely to be built.

Grounds of application.

Kadiri is the Head Quarters of the Tahildar and District Munsiff. The town is thickly populated, and the want of room is greatly felt. The proposed site is in the vicinity of the new Taluk Cutcherry that is 30 or 40 yards distant from the front and 25 yards distant from the side of the new Taluk Cutcherry Compound wall. The present site is situated on high ground.

The Police lines are in the paddy fields and the Police are constantly suffering from fever. Their huts can be removed to the new site.

The land now applied for is held on puthah by Sarangam Pheema Row and Vasappa who ask for a Compensation of Rs. 217-8-0 or at Rs. 15 per acre which seems to be reasonable.

Several applications have been received by the Tahildar for permission to build houses on the proposed site. The Subcollector has personally inspected the ground and strongly recommends that it be taken over.
