No. 647.

SIR,—In continuation of my letters marginally noted, I am directed to forward copy of a letter* from the Secretary to the Board of Revenue, dated 6th May 1876, No. 3,711, in which sanction is requested to increase the establishment entertained in the Board's Office for the preparation of the Trade Statistics. The

present proposals, it will be seen, involve an increased annual cost of Rupees 2,140 over that now incurred. I am to request the sanction of the Government of India for the establishment now proposed, the necessity for which is fully explained in the letter from the Secretary to the Board of Revenue.

2. I am to add that when the first proposals were made in October 1875, the Board of Revenue had not sufficient experience of the labor involved in the adoption of the forms circulated by the Government of India, and that the present proposals matured after experience gained of the system may be considered to be conclusive.

3. The usual tabular statement is herewith submitted.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) D. F. CARMICHAEL,
Secretary to Government.
