Proceedings of the Madras Government, Revenue Department,
20th May 1876.

No. 197. Read the following Proceedings of the Board of Revenue, dated 6th May 1876, No. 1,199:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 1st May 1876, No. 249.

REFERRING to Board's Proceedings, dated 8th instant, communicating G.O., No. 462, dated 3rd idem, I have the honor to enclose a list of the relief works that I propose to have executed, should necessity for such a measure arise.

2. Copy of a letter from the Sub-Collector on the subject is enclosed.

ENCLOSURE No. 1.

From S. T. McCARTHY, Esq., Acting Sub-Collector of Chingleput, to the Acting Collector of Chingleput, dated 24th February 1876, No. 143.

WITH reference to the latter paragraph of your letter, No. 228, of the 9th instant, I beg to state that I did not consider that any measures of relief were called for beyond the grants of sums to the amount of Rupees 480 for repairing the drinking ponds in Kilcherri and the vicinity, which I had applied for in my demi-official, and which you immediately granted. I did not hear complaints of any great scarcity of food when I visited the place. I have again called upon the Deputy Tahsildar of Stripermatoor to report on the subject, who states that, besides the repairs to the ponds above mentioned, there are now in progress the earth-work of the road between Mappedu and Kuvam and the metalling of that from Stripermatoor to Trivellore, which will amply suffice for the present to give employment to the people of Mappedu, Kilcherri, &c., who are in indigent circumstances. In the event of those works coming to a stop at the close of the current official year, he recommends that the following works be undertaken at once, viz., (1) earth and masonry work of the Kuvam Tank-bund; (2) brick and chunam for the Madugu irrigating the Kilcherri fields; and (3) metalling and gravelling of the road from Kuvam to Pandalam. An estimate for the first of those works has lately been sanctioned.

(True Copy.)

Collector.
