*Proceedings of the Madras Government, Revenue Department,
22nd May 1876.*

No. 223. Read the following Proceedings of the Board of Revenue, dated 10th May 1876, Miscellaneous No. 3,836 :—

Read the following letter from H. SEWELL, Esq., Acting Collector of Trichinopoly, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 31st March 1876, No. 81.

I HAVE the honor to forward the accompanying estimates and plans for providing the record-rooms of the Trichinopoly Taluq Cutcherry with wooden stands at a cost of Rs. 480, and for constructing a ryots' shed within the compound of the Collector's Office building at an outlay of Rs. 1,080.

2. The wooden stands are absolutely necessary for the preservation of records in the Trichinopoly Tahsildar's Office recently transferred to the Nabob's Palace buildings.

3. A shed for petitioners, witnesses, &c., to wait in is urgently required for the Collector's Cutcherry, which includes the Head Assistant's Office when in here, the Assistant Collector's and the Treasury Deputy Collector's. The Municipal Office is also close by. People having business to transact in any of these offices have no shelter at present, except a rather narrow verandah running round past of the Cutcherry, and this is inconvenient not only for them but also for the clerks, &c., of the establishment whose work is seriously interfered with by the noise. The District Engineer's plan appears to me to be simple and commodious.

SUBMITTED for the sanction of Government.

2. The works seem necessary.
