*Proceedings of the Madras Government, Revenue Department,
23rd May 1876.*

No. 233. Read the following letter from Lieut.-Colonel R. H. BEDDOME, Conservator of Forests, Ootacamund, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Ootacamund, 12th May 1876, No. 670 :—

I HAVE the honor to draw your attention to the Proceedings of the Board of Revenue, dated 20th of April 1876, No. 1,055, in which the Board state that I am to lose no time in pointing out to the Commissioner of Nilgiris what additions this department would make to the reserves on these hills, as it appears to me that I can do nothing in the matter until Government have expressed their views or wishes as to what is to be reserved.

2. When this is done I would suggest that Major Jago should be associated with a Revenue-officer in mapping out the reserves, and I know no one better qualified for this work than Mr. Knox, at present acting as Assistant Commissioner. It would probably take three months to do the Nilgiris properly, but the Koondahs could not be attempted until after the monsoon.

No. 234. ORDER THEREON, 23rd May 1876, No. 667.

Miscellaneous.

THE Conservator of Forests will be furnished with copies of G.Os., 9th May 1876, No. 589, and 5th May 1876,

No. 579, from which he will see that no present action is taken for with reference to the Board's Proceedings quoted by him. The question of reserves is under consideration.
