Sir,

I have the honor to request the sanction of the Board for purchasing two volumes of "Hindia's Materia Indica", which are to be sold by Messrs. Mackay in their auction commencing to-day.

2. The Book is a very useful one - it gives the names of articles in several languages, and is particularly required for the Appraiser's Department of this office. It is difficult to get any copies of it now and I believe it is out of print.

3. I therefore request that the purchase

purchase may be sanctioned as a special  
case.

I have &c.
