Submitted for the information of the Collector in reply to his endorsement No 392 of 14 instant, appended to Copy of Boards Proceedings Miscellaneous No 1281 of the 11th.

2. As the Board have directed the Sheds &c not to be disposed of till the Current dry Season is over and for every arrangements to be made to try and bring the experiment into operation it is perhaps advisable to retain the one constable still employed till the matter is finally settled.
