No. 319. Read the following letter from P. F. MACKENZIE, Esq., Officiating Secretary to the Chief Commissioner of Mysore, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Bangalore, 20th May 1876, No. 1,393/3 :—

I HAVE the honor, by direction of the Officiating Chief Commissioner, to submit, for the information of His Grace the Governor in Council, the following circumstances relating to a boundary dispute between the villagers of Chennaiyagaripully and others, of the Mulbagal Taluq, in the Kolar District of this Province, and certain villagers of the Punganur Zemindari in the district of North Arcot.

2. In a letter to the Collector of North Arcot, dated 9th November last, the Deputy Commissioner of Kolar states that the ryots of Chennaiyagaripully complain that Potail Ramagowda and others of the marginally noted villages of Punganur Zemindari enter their village in large bodies, armed with weapons, ill treat them, seize their cattle, and claim their cultivated lands; and it is stated that their outrages have occurred since the Rajagundlahully claim was settled by Mr. Sullivan in their favor.

3. The Collector of North Arcot, in his communications of the 15th November last, brings to notice that certain villagers of the Mulbagal Taluq, with their followers, entered the village of Yellavanacellore in the Punganur Zemindari, and cut eighty bandy-loads of wood for the purpose of boiling sugar, and that the Zemindar has, in consequence, ordered a watch to be kept over the wood to prevent its being removed by the Mysore people.

4. In a subsequent communication, the Deputy Commissioner informed the Collector that the jungle in question is claimed by the Mysore ryots as belonging to the village of Chennaiyagaripully, and that the present dispute becomes a boundary one, which should be regularly settled before the right of either party to the said jungle can be recognised.

5. Under the above circumstances, I am directed to request that the sanction of His Excellency in Council may be obtained to an officer being appointed to determine the boundary dispute in communication with the Deputy Commissioner of Kolar, and that, pending settlement, the Magistrate of North Arcot may be moved to adopt measures to prevent any interference by the Madras villagers with the disputed tract, and to take due notice of the alleged outrage on the Mysore villagers.
