To,

The Conservator of Forests.

Ootacamund.

Sir,

I have the honor to acknowledge your letter No. 353 dated 14th March and in reply to inform you that on receipt of your Demi-Official dated the 13th Instant I immediately sent to Mr. Newman Senior informing him of its contents and requesting to attend here this day with what explanation he had to offer.

Mr. Newman senior came here this morning and distinctly denied having any land on the Dilginis - saying that on which his own house is built with a small portion of 0.38 acres on the other side of the road. I enclose you a note I sent to Mr. Cockerell requesting for information on the matter as also pencil memorandum

on the back containing the area of
land registered in Mr. Newman -
senior name on the Dilgins which
tallies with his property at Wellington.

Mr. Newman assures me that
the land alluded to at Hotagiri
has been all along solely the property
of Mr. Power D. P. W. in whose
name it is registered and that he
has had no interest whatever in
it.

I have sent this in reply
direct to you as your communication
was not forwarded through the
Commissioner.

I have the honor to be
Sir,

Yours most obedt. servt
